

Tri-State Steelheaders

ANNUAL MEETING

Featured Presentation:

STRATEGIES TO INCREASE STREAM FLOW IN THE WALLA WALLA RIVER

Brian Wolcott

Executive Director

Walla Walla Basin Watershed Council

Wednesday, December 4th
SonBridge Community Center

1200 SE 12th Street (between Myra and Larch)
College Place

See the back of this flyer for map

Doors open 6:30 p.m.

Join us early for light refreshments

Meeting begins at 7:00 p.m.

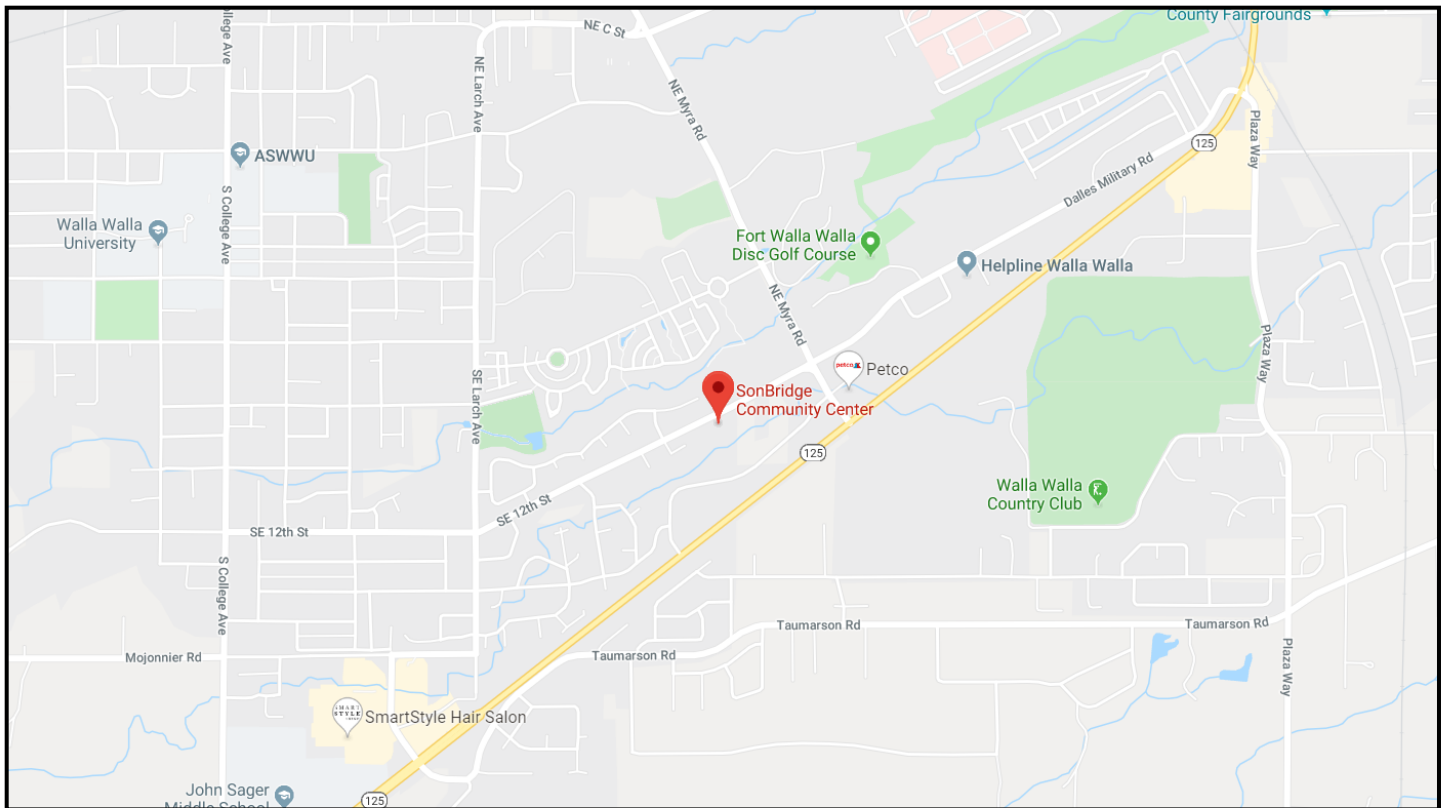

Everyone is welcome to attend this free event!

Presentation Description:

Walla Walla basin partners are developing a strategy to improve Walla Walla River stream flows for salmon, steelhead, bull trout, and other aquatic species without reducing existing agricultural and municipal water uses. A combination of large and small water projects are being evaluated by a team of engineers, hydrologists, and local stakeholders.

For additional information, call 529-3543, or email us at tssfish@tristatesteelheaders.com
