

## Learn About My Bug

Some of the answers to your investigation may be in the guide, but feel free to look it up!

Name of Macroinvertebrate: \_\_\_\_\_

Draw a picture of your chosen Macroinvertebrate:

What does it eat?

---

---

What Functional Feeding group is it a part of (Scraper, shredder, collector, predator)?

---

What part of the river is it most likely found in? is that where you found it?

---

What animals might eat your bug?

---

---
