Supplemental Questions Environmental Educator Application

Provide your answers to the questions below, and submit as a PDF document with your application form.

- 1) Tell us about your favorite project or accomplishment. What was your role, and why is it your favorite?
- 2) What is your motivation to work in environmental education with a nonprofit organization?
- 3) An essential part of the Environmental Educator position is communicating to a wide range of audiences. Tell us about a project/position you have had that presented this challenge to your communication skills, and how did you find a solution to the challenge?
- 4) In what type of work environment are you at your best? What would we see from you when you felt fulfilled and supported in your work?
- 5) What do you feel is most important in a collaborative setting? What specific examples from your past experience inform this knowledge/disposition?
- 6) Share a specific time your skills or knowledge didn't meet the needs of a job task. How did you supplement your skills or knowledge to accomplish the task?
- 7) Tell us about your experience teaching and/or working with K-12 students. What do you enjoy, what is difficult, and what are your strengths in a classroom setting?
